1. What challenges have you witnessed or experienced between ED/GM's and student leaders?
2. What strategies have you employed to address these challenges?

What is systemic team coaching?

A process by which a coach works with a team, both when they are together and when they are apart, to help them improve both their collective performance and how they work together, and also how they develop their collective leadership to more effectively engage with all their key stakeholder groups to jointly transform the wider business.
